Departmental Awards

AGRICULTURE

Jerrel Dunk

The Departmental Awards are the most coveted awards given in Giddings High School. They are given to the senior students who have distinguished themselves in the different fields of endeavor, both curricular and extra-curricular.

It may be said that these students have contributed beyond what is asked of them at all times, both in and out of the classroom, and have used their capabilities to the fullest extent, exemplifying outstanding leadership and good citizenship at all times.

The highest of standards must be maintained; otherwise no award will be given.

The Giddings High School Band

FIRST DIVISION, CONCERT & SIGHT-READING

Everett Schmidt, Director

The Giddings High School Band serves a twofold purpose. First, the Band is a Marching Unit during football season, performing halftime shows for the entertainment of the fans, and is probably the very heart of the School Spirit. The Band also participates in local parades and represents the school and community in out of town parades.

However important the Marching Band may be to the school and community, the Concert Band is the most justifiable from the standpoint of education. THE HERD is proud to salute the GHS Concert Band for the consistently fine performances given in its Winter and Spring Concerts; The Messiah performance with the Choirs; and the excellent record achieved over the years in the UIL Music Festivals.

The Band, GHS student body, and faculty will miss the fine work done during the past eight years by Everett Schmidt, not only as Director of Instrumental Music but as Principal of Giddings High School.
